Title: **Medical Team Member: Camp EMT**
Reports To: **Camp Director or Assistant Camp Director**
Position Type: **Volunteer**

Camp Promise is seeking dedicated and experienced EMTs to join our Medical Team and provide direct medical care to our campers with muscular dystrophy and neuromuscular diseases, and to our volunteers. The Medical Team, comprised of nurses, physicians, physical therapists, EMTs, respiratory therapists, and other health professionals, is responsible for providing health and medical care to 20-35 campers and 25-45 volunteers during the week of camp.

The Medical Team's primary goal is to ensure campers receive high quality healthcare while enjoying the fun and magic of camp. All members of the Medical Team exhibit characteristics of leadership, responsibility, dependability, maturity, integrity, and a positive attitude.

Roles & Responsibilities

- Assist with pre-camp planning efforts, as related to the Medical Team's duties at camp
- Assist with volunteer Orientation and Training, as needed
- Assist with camper check-in procedures, including health screening and medication review upon arrival
- Care for sick or injured campers on a daily basis
- Respond to emergencies as they occur
- Assist Camp Nurse/Medical Team with administering non-narcotic medications to campers and volunteers, ensuring all campers get their daily/nightly medications
- Provide first aid to campers and volunteers
- Maintain proper hygiene and utilize universal precautions at all times
- Work with the Medical Team to provide 24-hour care with rotating, on-call, and overnight coverage to campers and volunteers
- Maintain HIPAA and camp confidentiality standards regarding camper and volunteer medical records
- Review daily camper care charts and accident/incident forms
- Complete written reports and documentation as necessary
- Communicate with parents regarding their child's healthcare
- Other duties as assigned

Requirements

- Current EMT license in the state of the camp you will be at, or a temporary medical volunteer status from that state (if applicable)
- CPR/AED and First Aid certifications
- Pediatric experience (preferred)
- Available prior to camp to participate in pre-camp planning phone calls

- Physically and mentally able to provide medical care to children, teens, and adult campers with muscular dystrophy and neuromuscular diseases
- Physical and mental ability to respond appropriately to emergency situations
- Strong communication skills
- Able to work independently and as part of a team
- Able to problem solve and ask for help when needed
- Able to accept guidance and supervision from others
- Able to relate to and interact with youth and adults in a positive manner
- Able and comfortable communicating with campers, volunteers, and parents about any and all health and safety concerns
- Must complete online application and submit proof of physical exam and copy of immunization records
- Complete paperwork for required reference and criminal background checks
- Available to attend pre-camp Orientation & Training
- Adherence to Camp Promise Participation Agreement
- Available to stay overnight for the entire duration of the camp session
- Willing to live in a camp setting and work irregular hours with limited or simple equipment and facilities, and with daily exposure to the sun, heat, the outdoors, etc.

Position Benefits

- Opportunity to practice and refine leadership and clinical skills
- Lodging and meals for training sessions and the duration of camp
- Camp T-shirt and yearbook
- Friends and memories for life
- A priceless experience
