

CAMP PROMISE 2023 CAMPER APPLICATION CHECKLIST

Welcome! Below is an outline of the steps needed to apply to Camp Promise.

In addition to your online application, you will need to download and print a medical form then upload it back to your application. You will be able to access this form once you register as a user in our system and begin your online application.

Due to high interest, space at camp is limited. Applications are processed on a rolling basis. Applicants must submit an online application AND complete an interview with our leadership team to be considered for a spot in a cabin. We expect camp sessions to fill up quickly, so please complete your online application and interview as soon as possible.

Please contact our office if you have any questions.
