BENEFITTING
JETT FOUNDATION'S
CAMP PROMISE

Jett Foundation empowers people and families impacted by Duchenne muscular dystrophy through the development of transformative programming, educational opportunities, and ongoing support for every stage of a Duchenne journey.

Jett Foundation just opened its first Camp Promise in the Southeast right in Marietta, SC. The mission of Camp Promise is to provide a barrier-free, overnight camp for kids, teens, and adults with muscular dystrophy or select neuromuscular diseases —regardless of age, capability, or ability to pay. Our camper-focused programming builds independence, confidence, and life skills through traditional camp activities and by bringing campers new experiences through adaptation, technology, creativity, and special guests.

TICKETS
