

CAMP PROMISE 2026 CAMPER APPLICATION CHECKLIST

Welcome! Below is an outline of the steps needed to apply to Camp Promise.

Please do not submit this guide with your application. Please keep in mind that in addition to your online application, you will need to download, print or scan, and then upload the forms back to your application, including your camp medical form. You will be able to access all necessary forms once you register as a user in our system and begin your online application.

Due to high interest, space at camp may be limited. Applicants must submit an online application AND complete an interview with our leadership team to be considered for acceptance. We expect camp sessions to fill up quickly, so please complete your online application and interview as soon as possible. Please contact our office if you have any questions.

☐ 1. ONLINE APPLICATION *open until camp capacity is reached or 10 weeks prior to the camp start, whichever comes first.*

Complete your secure online application at: jettfoundation.org/camp-promise/apply-today

PLEASE NOTE! You will have to upload the below documents to your application. Some documents that were rolled over into the application for returning applicants may need to be re-uploaded this year.

Upload the following documents to your application:

- Current photo
- Government-issued ID (campers 18+ only)
- Insurance card(s) (front and back)

☐ 2. MEDICAL DOCUMENTS *due 10 weeks prior to the start of each camp (@ midnight PST).*

Upload the following documents to your application:

- Signed and completed Medical Form within 12 months of camp start date (all campers)
- Copy of immunization records
- Additional medical directives (optional)

☐ 3. INTERVIEW*

All new applicants are required to complete an interview with someone from our Leadership Team. Return interviews for campers who attended in 2025 are optional, but Jett Foundation reserves the right to interview any applicant as deemed necessary to provide the best care to our campers.

However, any returning camper is welcome to schedule an interview with Camp Promise Leadership as part of the application process. While optional, it can be a great opportunity to share updates, ask questions, or reconnect with the team!

Please note: Leadership at some Camp Promise locations are requesting that all applicants, new and returning, schedule an interview as part of completing the application process. Be sure to check the requirements carefully for the camp location you've chosen when you reach this step.

You will be prompted to schedule your Google Meet Video Call to review your application with a member of our leadership team. **Once scheduled, write yourself a reminder here!**
